LOOK OUT FOR RARE VARIANTS OF WHITE FRAME STICKERS!

There are 64 white frame stickers in the collection, and in some lucky packets they can be found in a cool parallel variant. The parallel stickers carry exactly the same number and image as the regular versions, so they're not needed to complete the collection, but they can still be stuck in the album: it's up to you to decide which variant of the sticker you want to stick on the pages. However, only the regular white frame version of the stickers can be requested to Panini's Missing Sticker Service.

REGULAR WHITE FRAME STICKERS, ONE IN EACH PACKET

RED FRAME VARIANT, ONE IN 10 PACKETS
on average

GOLD FRAME VARIANT, ONE IN 20 PACKETS
on average

Every time you see a sticker number surrounded by a dotted line, it means that sticker comes in variants. You decide which one to stick!
